MAMONYANE
CONSTRUCTION CC

BUILDING FOR THE FUTURE

COMPANY PROFILE

What we do: Mamonyane Construction CC is a well-established black-owned enterprise that provides turnkey construction management and property development solutions to private and public-sector clients.

Over the past 26 years, the company has grown in experience and in a capacity such that it has not only survived through the challenging construction environment and economic climate of South Africa but continuously aims towards becoming the best.

The company has earned a reputation as a trusted contractor for building construction, civil works, maintenance, and refurbishment projects from new structures – commercial, industrial, and residential, to restorations of heritage buildings, we are in our element on the building site, regardless of the nature or requirements of a project.

About us: Mamonyane Construction CC was founded in March 2000. The company was formed by Mr. Jan Klaleng Mamunyani.

Vision: To become a preferred supplier of services and recognised as the standard of excellence for delivering innovative and quality work within the construction industry.

Mission: Mamonyane Construction CC undertakes to deliver service exceeding our customers' expectations, to lead in delivering valuable, high-quality services to our customers.

Company registration number 2000/010970/23

NHBRC number 17660

CIDB GRADING 6 GB PE 6 CE for CIDB Certificate

B-BBEE STATUS Level 1

Commitment: We are proactive in finding solutions for our clients that best achieve their goals. Lasting relationships are the lifeblood of our business. We want the client to feel that our staff is even more committed to providing solutions to their needs and that is what distinguishes us.

Safety: The safety of our workers has been our number one priority and a part of our culture for decades. We are committed to the highest standards of safety regulations and consistent with sound construction practices.

Integrity: We remain true to our founding values of quality honesty and hard work. We have the highest ethical standards in the industry. Mamonyane Construction CC is a business based on trust. We are consistently associated with the high standards of service, quality, personal attention to clients, and integrity. Because of this, the reputation of the company has the privilege of leading some of the highest profile projects in Gauteng. Conduct our business with the highest level of integrity with our customers, our subcontractors and ourselves.

Teamwork: We recognise our people as primary assets and the company as a rewarding working place. We provide opportunity and encouragement to help our people reach their potential. We work with our clients as a team. Mutual respect provides the foundation for our success. And create partnership relationships with our customers to enable them to meet their performance goals.

Objectives: To operate nationally with most members been from historically disadvantaged communities, and to be truly representatives enhance economic empowerment in South Africa. To benefit all the people of South Africa through the creation of wealth and job creation. To operate on sound business principles and to make profits by being efficient, productive, competitive, and effective.
